

# SAGS ENDS 2015 & STARTS THE NEW YEAR 2016 ON HIGH NOTES

Adding Jetstar Asia Airways, T'way Air and Malindo Air to our growing list of customers in the last 03 months saw us ending the year 2015 and starting the new year 2016 on a high note.

27 November 2015 welcomed the first flight of Jetstar Asia Airways in Da nang Int'l Airport (DAD). The Singapore-based carrier kicks off with 03 flights weekly by Airbus A320 connecting Singapore and Da Nang City.

We are honored to extend the long term partnership with Jetstar Asia Airways from Tan Son Nhat Int'l Airport (SGN) to Da Nang Int'l Airport (DAD).

In December, christmas cheer arrived on 24 December 2015 for SAGS as we handled the first flight of T'way Air from Seoul to Ho Chi Minh City.

The flight has been cordially welcomed with a ribbon-cutting ceremony at the check-in counters by many VIPs including airport authorities, operators, Korean Consulate General and senior management from T'way Air.

T'way Air is operating daily flight by Boeing B737-800.

The new year 2016 starts with our smooth handling of Malindo Air from 29 January 2016.

The Malaysia-based airline is having daily flight by Boeing B737-800 & B737-900 routing Kuala Lumpur to Ho Chi Minh City.

Congrats & Happy Tet Holidays !
