

SAGS EMPLOYEES HONORED FOR EXCELLENT SERVICE BY BAMBOO AIRWAYS

In celebration of Bamboo Airways' 6-month anniversary, the airline awarded congratulatory certificates to 10 SAGS employees in recognition of their outstanding performance.

The airline offered sincere gratitude to the Board of Directors of Saigon Ground Services JSC. (SAGS) for accompanying Bamboo Airways since its first day with consistent service quality and continuous improvements.

Bamboo Airways leaders awarded the certificate of merit to SAGS' excellent employees in the first 6 months of operation.

According to the Civil Aviation Authority of Vietnam, Bamboo Airways has performed 6,700 flights in the first six months of 2019, achieving OTP rate of up to 93.8% (equivalent to 6,287 flights) and quickly becoming the leading domestic airline.

Mr. Truong Viet Cuong - Director of Bamboo Airways, affirmed the commitment to exceptional passenger service, safe and on-time handling is a crucial factor that helps the airline surpass other domestic airlines and ultimately attains the achievement above.

In order to meet the demands of the upcoming rise in flight frequency at Tan Son Nhat, Da Nang, and Cam Ranh International Airport, SAGS has organized comprehensive training programs for talented staffs to equip themselves with the core aviation and necessary handling skills.

SAGS gave flowers to congratulate Bamboo Airways 6-month anniversary

SAGS is now the leading ground handling company in Vietnam. The company offers a full range of ground services to more than 50 domestic and international airlines at 3 international airports, serving more than 250 flights per day in accordance with the ISAGO (IATA Safety Audits for Ground Operations) registration and ISO 9001: 2015 quality management certificate.
